

Ellough Park Race Circuit at Ellough near Beccles, are pleased to announce they have secured and will be hosting, for the first time ever, the “**British TKM Super 1 Championship**” **first round on March 21/23<sup>rd</sup> 2008**. A few days after securing this round we were told that we also have secured a round of the **WTP Cadet “Little Green Man National Championship**” in June and also the “**Dadson**” **Gentleman’s Rotax Max Challenge**” in August. Richard Lock managing director has said this will attract on the weekend over 150 drivers and over 500 support staff to the area, which a large percentage of them will be looking for accommodation and places to eat.

Richard Lock Race Team has been approached to run their race team solely using a TonyKart chassis. The Tony kart chassis, made in Italy are the biggest selling chassis world wide having won numerous world and European titles. They will be working in conjunction with TonyKart’s UK Importer, Strawberry Racing.

R L Race Team Managing Director, Richard Lock commented, “*this will be a very positive and long term relationship with TonyKart which will secure a greater level of support and will increase the future development of our drivers in all classes. We currently offer one of the most progressive Race Teams in the UK, a fact that was recognised by Paul Spencer (Strawberry Racing MD).*”

The Team is based at the Ellough Park Race Circuit in Beccles, Suffolk, enabling them to offer a full support package in Sales, Testing and Racing. A new Team Race Truck has already been purchased and is currently being kitted out to a high standard, including a large awning. This will be ready for the launch on 1<sup>st</sup> November.

Paul Spencer of Strawberry racing commented;” *Having seen the overall improvement, both in the company profile and race team, since Steve Armstrong became team manager, we felt that this was a great opportunity for us to join forces to enable us to promote TonyKart products and develop and test chassis. We have every confidence that this venture will be good for all concerned and look forward to a very successful 2008 season*”.

Also congratulations to **Chris Lock from Oulton Broad** in finishing Senior Rotax Max “**Vice British Champion**” winning the last two rounds of the British Championship by some margin as well as winning over 25 other major races this year. Chris has now qualified for the World finals In Dubai in November, Chris is currently favourite to win next years British championship and has been testing the 2008 Tonykart with RL Race Team who are based at Ellough Park Race Circuit and has found it a step forward and will be competing on it from now on.
